

## PLANTS LIST AT KINGFISHER BAY RESORT, FRASER ISLAND

This plant species list is a guide to the more common plants found throughout the Kingfisher Bay Resort and surrounds. Our intention is not as a complete/ comprehensive list of plants on Fraser Island as there are over 1000 species of plant from over 150 plant families found here. These are found within a great diversity of vegetation types and are dependent on a number of factors for their survival.

Fraser Island's ecosystems will continue to survive for future generations only through the thoughtfulness of its visitors. Please take care of our environment.

- Coastal Banksia
- Swamp Banksia
- Saw-toothed Banksia
- Bungwall Fern
- Swamp Boronia
- Wide Bay Boronia
- Forest Boronia
- Orange Mangrove
- White Caledonia Orchid
- Cypress Pine
- Cooloola Pine
- Pig Face
- Dodder Vine / Dodder Laurel
- Coastal / Horesetail She-oak
- Foxtail Sedge
- Red Bloodwood
- Pink Bloodwood
- Spider Orchid
- Flax Lily

### Scientific Name

- Acacia flavescens
- Acacia leiocalyx
- Acacia sophorae
- Allocasuarina littoralis
- Amyema sp.
- Angophora leiocarpa
- Aotus ericoides
- Archontophoenix cunninghamiana
- Austromyrtus dulcis
- Avicennia marina
- Banksia aemula
- Banksia integrifolia
- Banksia robur
- Banksia serrata
- Blechnum indicum
- Boronia parviflora
- Boronia rivularis
- Boronia rosmarinifolia
- Bruguiera gymnorrhiza
- Caladenia catenata
- Callitris columellaris
- Callitris sp.
- Carpobrotus glaucesens
- Cassytha filiformis
- Casuarina equisetifolia
- Caustis blakei
- Corymbia gummifera
- Corymbia intermedia
- Dendrobium tetragonum
- Dianella sp.

## PLANTS LIST AT KINGFISHER BAY RESORT, FRASER ISLAND

### Common Name

Heathy Parrot Pea  
Hyacinth Orchid  
Hop Bush  
Blueberry Ash  
Blue Quandong  
Wallum Heath  
Blackbutt  
Swamp Mahogany  
Scribbly Gum  
Queensland Blue Gum  
Tall Sword Grass  
Red-fruit Saw Sedge  
Guinea Flower  
Twining Guinea Flower  
Goats Foot  
Dusky Coral Pea  
Native Sour Currant  
Lemon-scented Tea Tree  
Bearded Heath  
Bushy White Beard  
Zamia Palm  
Five-veined Paperbark  
Blue Tongue  
Prickly Broom Heath  
Pandanus Screw Palm  
Swamp Iris  
Geebung  
Woombye  
Heath Platysace  
Narrow-leafed Platysace  
Bracken Fern  
Red Mangrove  
Wedding Bush  
Forked Comb Fern  
Fraser Island Satinay  
Native Violet  
Blue Bells  
Swamp Grass Tree

### Scientific Name

Dillwynia retorta  
Dipodium punctatum  
Dodonaea triquetra  
Elaeocarpus reticulatus  
Elaeocarpus grandis  
Epacris pulchella  
Eucalyptus pilularis  
Eucalyptus robusta  
Eucalyptus racemosa  
Eucalyptus tereticornis  
Gahnia clarkei  
Gahnia sieberiana  
Hibbertia linearis  
Hibbertia scandens  
Ipomoea pes-caprae  
Kennedia rubicunda  
Leptomeria acida  
Leptospermum liversedgei  
Leucopogon leptospermoides  
Leucopogon margaroides  
Macrozamia douglasi  
Melaleuca quinquenervia  
Melastoma affine  
Monotoca scoparia  
Pandanus tectorius  
Patersonia fragilis  
Persoonia virgata  
Phebalium woombye  
Platysace lanceolata  
Platysace linearifolia  
Pteridium esculentum  
Rhizophora stylosa  
Ricinocarpus pinifolius  
Schizaea bifida  
Syncarpia hillii  
Viola hederacea  
Wahlenbergia graniticola  
Xanthorrhoea fulva
